- Sponsor a Case

### CAN YOU HELP?

**Case # 51** –Katie and her husband have two kids and make less than \$12,000 a year. They are on food stamps and Medicaid. They have a male Pit Bull and a young female German Shepherd. They also have two male cats, one that started spraying so he is now outside. SNAP's cost to get them done is \$230.

**Case #52**-John heard about SNAP through CARE. He had two stray females show up both with litters and would like to get the females and the kittens fixed. Since they will be hard to place, he has decided to keep them but only if they are fixed. SNAP's cost is \$270.

**Case #53**-Mark had a stray lab mix show up at his home. He would like to keep the dog since he lives alone and the dog has become a wonderful companion for him. He is on disability and Medicaid. SNAP's cost is \$80.

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!

*The SNAP volunteers want to thank you for another successful year and send our wish for a blessed and healthy 2016! The following thank you came from one of the people who used our program a few months ago.*

"I just want to say how much I appreciate what you are doing. It really warms my heart to think there are people out there that are willing to help so much. My dog is a pit bull and I am so grateful to have her now fixed. God Bless!"

*Your donations are so important to us. We continue to be run one hundred percent by volunteers so that the money donated all goes to pay the veterinary bills for spays and neuters. Thank you for your support. Happy New Year!*
