CAN YOU HELP?

Case # 54 –Mark found two small dogs a few months ago and has not been able to find their owners. They have fit into his home and are good company so he has decided to keep them but must have both spayed. He has taken them to the vet to get rabies shots but needs assistance for both females to be spayed. SNAP's cost to get them done is \$120.00

Case #55-Nancy is a young single parent. She has two dogs that are both fixed but had a young pregnant cat show up that she needs help fixing along with three of the now adult kittens she was unable to find homes for. The cost to fix all of the cats is \$200.

Case #56-Debra took in three large dogs after a family member died. Two of the dogs, a Pit Bull and a Pit Bull mix are both males while the third dog is a female hound that has had five litters prior to living with Debra. She needs help getting all three of her new family members fixed. SNAP's cost for these dogs is \$240.

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!

MAMA JEANS HELPS SNAP IN MARCH WITH MATCHING FUNDS

During the month of March, Mama Jeans Natural Market has donation canisters for SNAP at each checkout lane. At the end of the month, they will tally the donations and match the total up to \$250.00! If you are a regular customer or have always wanted to stop in, now is a great time to see what they have. You won't be disappointed in the selection and they have a wonderful variety of quality fresh and local organic foods at great prices! Mama Jeans has 3 locations, 1110 East Republic Road, 3530 East Sunshine, and 1727 South Campbell. Stop by, check them out and be sure to add a little something to the donation canisters to help the animals!
