WHAT GOES WITH SPRING?

Right! It's ARTSFEST time! Let's hope the weather is as beautiful as it was last year! SNAP will be at ARTSFEST again this year selling dog bandanas, Saturday May 7th and Sunday May 8th on Historic Walnut Street. This is a great weekend to take a stroll, look at some wonderful art and stop by to say hi, buy some bandanas or help us sell some! Festival hours are Saturday 10am to 6pm and Sunday 10am to 5pm. The nonprofit booths are located on John Q Hammons Pkwy north of Walnut Street. We will also have the two remaining quilts at our booth for you to look at. Please ask because they are hard to display in full! See you there!

CAN YOU HELP?

Case # 57 –Debbie just moved to Springfield from Tennessee and ended up taking in two unwanted dogs. One is a female ShihTzu/Beagle mix and one is a male Golden Retriever mix. She is currently living with a family member and has no income. SNAP's cost to get them done is \$120.00

Case #58–Justin has a mess. He had a stray cat show up that had kittens. Three years later, he has seven adult females that still need to be spayed. The three male cats he has he neutered on his own. He is going thru a tough time and cannot afford to fix the females. The cost to fix all of the cats is \$385.

Case #59–Kari and her husband have three children. They took in a stray pregnant dog and were able to place all but three of the puppies who are now almost five months old. At this point, they are planning to keep the pups and their mother. These Australian Shepherd mix dogs, two females and two males will cost \$240 to be fixed.

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!
