Helping Animals and the People Who Love Them

IT'S ARTSFEST TIME! WANT TO VOLUNTEER?

SNAP will be at ARTSFEST again this year selling dog bandanas and we would love to have some new faces at our booth! It's not hard; we just chat with people and help them pick out some nice bandanas for their furry family members. Work a shift then spend some free time looking at the other booths. Hours are flexible and you will receive a free pass to Artsfest. The dates this year are Saturday May 6th and Sunday May 7th on Historic Walnut Street. Festival hours are Saturday 10am to 6pm and Sunday 10am to 5pm. If you are interested in helping, please call and leave a message that you would like to volunteer at 417-823-7627. See you there!

CAN YOU HELP?

Case #72—Eddie recently moved to Springfield and started feeding a stray cat. Shortly after, he found a stray female Lab mix and took her home. He is still trying to find work and can't afford to get these two females done. The cost to spay both animals is \$145.

Case #73—May is fighting breast cancer and just found out she needs to find a new place to live. She has three female beagle mixes, three male beagle mixes, one female cat and one male cat that all need to be fixed before she moves to a new apartment. SNAP's cost to get all eight animals done totals \$510.

Case #74—Ashley had a stray pregnant dog show up at her home. She found a home for the mother dog after the puppies were weaned. The new home had her spayed. She was also able to place four of the puppies into new homes but still has the remaining three Heeler/Beagle mixes that are now seven months old. She has decided to keep them but needs help with getting them fixed. The one male puppy and two female puppies will cost \$210 thru SNAP.

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!

What is AmazonSmile?

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organization selected by customers.

How does AmazonSmile work?

In order to browse or shop at AmazonSmile, customers must first select a charitable organization.

When you #StartWithaSmile, Amazon donates 0.5% of the purchase price to Spay Neuter Assistance Program Inc. **Bookmark the link**
