Community Foundation of the Ozarks

SNAP is pleased to announce that we have established a fund at Community Foundation of the Ozarks (CFO) as part of their Agency Partners program. Being part of this program will benefit SNAP in many ways. Not only will we be exposed to CFO's extensive donor network, we will also be eligible for fundraising opportunities, networking, and other perks.

If you would like to make an online donation to our CFO fund, please follow these simple steps:

- Visit the CFO website at <http://www.cfozarks.org>
- Click on the *give online* link at the top of the homepage
- Designate the amount you'd like to donate
- Under *gift designation*, select *other* from the drop-down menu
- In the space provided for *other designation* enter "SNAP"
- Enter your contact and donation information, then click on the *donate now* button

CAN YOU HELP?

Case #75—Katie is an elderly lady who has taken in four small female dogs over the last few years due to their situations. She is on a fixed income leaving very little at the end of the month. When the girls go in to heat, other dogs in the neighborhood are very bothersome. She has done a great job of not having any litters but really needs to get them all spayed. SNAP's total cost to spay Katie's dogs is \$280.

Case #76- Chris got an unneutered male retriever mix from a friend who could no longer care for it. He also took in a stray cat that has had one litter of kittens. He can help a little with the cost but it would take several months to save the money. SNAP's cost to get both animals done totals \$125.

Case #77-Paul is raising his grandkids. A neighbor told him about the SNAP program after two female and two male cats showed up at his house. He has already done the two female cats thru SNAP and we think if he has additional help he will get the two male cats and three dogs that he has done as well. The two male cats and three dogs will cost \$320 thru SNAP.

If you are able to help fix any of these animals, please send your donation to SNAP, PO Box 14354, Springfield, MO 65814. No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!
