

Spay Neuter Assistance Program
The Humane Solution to Pet Overpopulation

Solutions

Helping Animals and the People Who Love Them

December 2022

From all of us at SNAP

Thank you for another successful year! To all our Veterinary Clinics who go above and beyond to help our clients, without you this program would not exist. Thanks to all of you who have donated, purchased bandanas at Artsfest, Cider Days, Pumpkin Daze and All About Dogs and Cats, or shared information to people needing assistance fixing their pets, you are a blessing for so many animals needing help. Thank you all for helping to make this a success story for over two decades. SNAP has assisted with over 25,000 surgeries, helping to prevent countless litters, and helping these animals lead healthier lives. We continue to be run one hundred percent by volunteers, so the money donated goes to pay the veterinary bills for spays and neuters. We appreciate all your donations and hope you will continue to support our work and spread the word about the importance of spay/neuter.

Have a Blessed 2024!

*Your life was a blessing,
your memory a gift.*

In loving memory of Mini Martin

A very special Thank You to Marketplace Printing in Ozark and Nixa for helping us with our printing needs and for donating their time and resources to put together such a wonderful newsletter!

CAN YOU HELP?

Case #129 Rochelle is a single mom who has taken in four dogs over the last couple of years that she found on the side of the road. She has done a good job of not having them get pregnant but has no extra money to get them fixed. She was very emotional when we said we could help. SNAP's cost to fix them is \$390.

Case #130 Seth lives in the country where animals are dumped frequently. He has four dogs and two cats that he has kept and has had several litters. A family member heard about SNAP, and he made the call. The puppies have now been placed with a shelter and he is overjoyed to be able to get his pets fixed. The 4 dogs and 2 cats will cost \$490.

Case #131 Florence lives in north Springfield where there are a lot of stray cats. She is on a very limited fixed income but saves up and has been getting them done one at a time. She heard about us recently and we are helping her get the last 5 females and 3 males done so no more babies in the Spring! SNAP's cost is \$420.

If you can help fix any of these animals, please send your donation to:

**SNAP
PO Box 14354
Springfield, MO 65814**

No amount is too small. It all adds up to do great things! You can specify which case you would like to contribute to. In the event the case you specify has already been helped by another caring donor, your contribution will be used to help a different but equally in-need pet owner. Thank you for your support!

Community Foundation of the Ozarks

If you would like to make an online donation to our **Community Foundation of the Ozarks fund**, please follow these simple steps:

- Visit the CFO website at <http://www.cfozarks.org>
- Click on the give online link at the top of the homepage
- Designate the amount you'd like to donate
- Under gift designation, select other from the drop-down menu
- In the space provided for other designation enter "SNAP"
- Enter your contact and donation information, then click on the donate now button

**Thank you for your commitment to providing spay/neuter services
to Southwest Missouri animals in need!**

We need your support!

SNAP's mission is to eliminate the need for euthanasia in our community's animal shelters, to reduce the number of homeless animals, and to educate the public about the importance of spay/neuter.

We cannot accomplish our mission without donations. Please donate online or return this form for specific designations or for more information.
